Gullwing window glass version

Discover the efficiency and elegance with Explore Glazing's gullwing window featuring a glass panel, the ideal access solution for the Toyota Land Cruiser 80 Series. Whether your Land Cruiser serves for work, adventure, or daily use, our gullwing window melds function and style, perfectly tailored to your needs.

Innovative product features

- **Installed with an advanced clamping system for a tight fit:** Utilizes an inner rim (clamping system) where the window is clamped to the vehicle's body, eliminating the need for drilling or adhesive bindings.
- **Seamless interior finish:** Offers a sleek and stylish finish to the vehicle's interior, with no need to modify the interior lining.
- **Respect for authenticity:** Maintains the unique lines of the Toyota Land Cruiser 80, with a design that avoids irreversible modifications or drilled holes.
- **Optional sealing:** Optionally can be sealed with Dow 791 Silicone Weatherproofing for additional sealing and to prevent dirt accumulation between the window and the body.

Product Features

- **Dimensions:** The dimensions are fully in line with the original side windows of the Toyota Land Cruiser Series 80, eliminating the need for any modifications to the body.
- **Specifications:**
    - 5 mm thick tempered safety glass.
    - Two robust gas struts.
    - A set of lockable compression latches ensures both secure closing and a flawless seal.
    - Offers protection against both dust and water infiltration.
- **Finish:** The aluminium window profile is equipped with an industrial black powder coating (RAL 9005) to protect against weather conditions and prevent discolouration.
- **Glass Options:** Available in a stylish dark grey shade with a light transmission of 20% (80% tinted), all our glass meets the ECE 43R and DOT certifications.
- **Options:** Available for installation on both the left and the right side; the models are not interchangeable.

- **Window Accessories:** Enhance the functionality of your gullwing window with a window guard or an Explore Overlander Light.

The gullwing window is delivered fully pre-assembled and is ready for immediate installation. Enrich the experience of your Toyota Land Cruiser Series 80 with this remarkable and unique addition!

Installation

Mounting

- Uses an innovative clamping system.
- Matches the exact dimensions of the original window of the Toyota Land Cruiser Series 80.

Interior Finish

- The inner edge integrates seamlessly with the existing interior lining.
- Ensures a sleek and elegant finish.

General Information

- Modifications to the bodywork are not necessary.
- It is possible to replace the original window if desired.
- Installation is quick and uncomplicated.
- A mounting set is not included, but is offered as standard upon request and consists of:
    - 4 mm machine tap.
    - tube of Dowsil 791 Silicone Weatherproofing professional sealant.
    - brush.
    - rubber strip to remove excess sealant.

Before beginning installation, carefully review the instructions, as any claims due to improper installation will not be accepted afterward.

It is important that the Explore Glazing products are assembled correctly and safely. Careless assembly can lead to accidents and serious damage and / or injury to you or others. If you have no technical experience or are not familiar with the general assembly instructions, we recommend that you have our products assembled by a professional company.
