Add-on: window guard for the gullwing glass

Designed exclusively for off-road enthusiasts, the window guard for your Land Rover Defender's gullwing window is purpose-built to enhance your off-road experience. Acting as a formidable shield, it provides an extra layer of defense against potential hazards encountered during your thrilling adventures. This rugged accessory effectively safeguards your gullwing window from rocks, branches, and debris, ensuring its integrity remains intact throughout your journey.

Crafted with durability as the foremost priority, the window guard is meticulously constructed using high-quality materials that can withstand the demanding conditions of off-road terrains. Its robust design seamlessly integrates with the existing aesthetics of your gullwing window, preserving its functionality while elevating its security features to new heights.

No matter the rugged trails you traverse or the untamed wilderness you explore, the window guard stands as a steadfast barrier, ensuring the protection of your gullwing window. By installing this essential accessory, you can fully immerse yourself in the excitement of off-road adventures, confident that your glass remains shielded from potential damage.

Gear up for your next off-road expedition with your Land Rover Defender, and equip your gullwing window with this reliable and trustworthy window guard. Enjoy the freedom of exploring the great outdoors with absolute peace of mind, knowing that your glass is fortified against the elements that come your way.

The window guard boasts exceptional craftsmanship, constructed from a 3 mm aluminum plate that exhibits remarkable strength and resilience. Its industrial black powder coating, matching the Explore Glazing window, enhances both its durability and visual appeal. With a sleek and timeless color finish in RAL9005, it seamlessly integrates into the overall aesthetics of your Land Rover Defender, further enhancing its rugged allure.

Choose the window guard for your Land Rover Defender's gullwing window, and embark on your off-road adventures with confidence, knowing that your glass is safeguarded with uncompromising strength and style.

Installation

We will install the window guard on the glass for you when you place a simultaneous order for a gullwing.
