Add-on: window guard for the gullwing glass

The Explore Glazing window guard is tailored for the Suzuki Jimny FJ's gullwing window, catering specifically to off-road enthusiasts.

This guard offers protection against potential hazards like rocks and debris. Constructed from a durable 3 mm aluminum plate, it seamlessly integrates with the gullwing window's design. It features the same industrial black powder coating as other Explore Glazing windows, with the color RAL9005.

Equip your Suzuki Jimny FJ with this guard for a safer off-road experience.

Installation

We will install the window guard on the glass for you when you place a simultaneous order for a gullwing.
