Sliding window - rear side - left or right hand side

Upgrade your Volkswagen T3 with the Explore Glazing sliding window, specifically designed to fit the original dimensions of your side window. Benefit from a straightforward installation process, allowing you to enjoy the advantages in no time.

Our sliding windows feature a specially engineered sliding system, preventing dirt buildup in the slide channel. With over 20 years of expertise in the coachbuilding industry, we guarantee a long-lasting, low-maintenance solution for your vehicle.

Equipped with a user-friendly locking mechanism, the Explore Glazing sliding window offers effortless operation and adjustable positions. The glass edges are polished for optimal performance and safety.

Rest assured that our sliding windows meet stringent safety standards, featuring 4 mm toughened safety glass certified by ECE R-43 and DOT, available in privacy grey with a light transmission of 20% (tinted 80%).

Available for both the left and right sides, please keep in mind that the windows are not interchangeable.

The sliding windows can be enhanced with a window guard.

Installation

General

- The dimensions of the windows fully correspond to the original windows of your Volkswagen T3 Bus (Volkswagen T3 T25 Vanagon).
- No adjustments to the bodywork are necessary, so that the original window can be replaced if necessary.
- Easy and quick to assemble.

The Explore Glazing windows are mounted in the original window rubber.

It is important that the Explore Glazing products are assembled correctly and safely. Careless assembly can lead to accidents and serious damage and / or injury to you or others. If you have no technical experience or are not familiar with the general assembly instructions, we recommend that you have our products assembled by a professional company.
