**We strongly recommend that you read the manual in advance.**

**It is important that the Explore Glazing products are assembled correctly and safely. Careless assembly can lead to accidents and serious damage and / or injury to you or others. If you have no technical experience or are not familiar with the general assembly instructions, we recommend that you have our products assembled by a professional company.**

1. Replace the window according to the instructions in the workshop manual (see enclosed).
2. After the replacement pane has been placed, follow the mounting instructions on the supplied drawing.
